CUSTOMER'S DUTY TO DISCOVER AND REPORT

The notice below applies only to accounts of individuals maintained primarily for personal, family or household purposes.

You must examine your statement and any items within 30 days. If you discover any unauthorized signature(s) and/or any alteration(s) on the items, you must notify us. If you fail to notify us within 30 days you will not have a claim against us.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Please examine this statement immediately. If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, telephone or write us at the telephone number or address located on the front of this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. If we do not hear from you within 60 days the account will be considered correct.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

YOUR MSB MONEYLINE ACCOUNT SUMMARY OF RIGHTS IS OUTLINED BELOW

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.

Your MSB Moneyline Account is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with MSB Moneyline Accounts. The following information thus applies only to loans made to you under your MSB Moneyline Account line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR MSB MONEYLINE ACCOUNT (OVERDRAFT LOAN PROTECTION)

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Tell us your name and account number.
- (2) Tell us the dollar amount of the suspected error.
- (3) Describe the error you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the FINANCE CHARGE on your MSB Moneyline Account by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid FINANCE CHARGES. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your MSB Moneyline Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second to the principal loan balance outstanding in your Demand Deposit Loan Account. Periodic statements may be sent to you at the end of each billing cycle showing your MSB Moneyline Account loan transactions.

Send payments and inquiries to the address shown on front of bill.

NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

Overdraft Frequently Asked Questions:

At Machias Savings Bank, we want to make it easy for you to understand the Bank's checking account services and the Overdraft Fees and Returned Items Non-Sufficient Funds (NSF) Fees that may apply to your account.

What is an overdraft?

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We use your available balance to determine whether you have enough money in your account to pay an item when it is presented for payment. If your available balance is insufficient to pay an item when it is processed, we may, in our sole discretion, pay the item (creating an overdraft) or return the item unpaid (NSF).

When are fees charged?

We may charge you an Overdraft Fee of \$33 if we pay an item that exceeds your available balance. We may charge you a Returned Item (NSF) fee of \$33 if we return an item unpaid due to an insufficient available balance.

Please be aware that some merchants and other third parties sometimes re-submit items that we return unpaid. Each re-submission constitutes a separate item. You agree that if any transaction is submitted for payment again after having previously been returned unpaid by us, an Overdraft Fee or NSF Fee may be assessed each time the transaction is submitted for payment and your available balance is insufficient to pay the item.

How to avoid overdrafts and fees?

You can avoid NSF fees for overdrafts by making sure you always maintain a sufficient available balance to cover all of your transactions. Your available balance may change during the course of a day as debit transactions and deposits are made. The available balance we disclose to you may not include all of your transactions, such as checks you have written that have not yet cleared or upcoming automatic payments. It is your responsibility to keep track of your available balance as you conduct transactions in order to avoid overdrafts and fees.
